

Dr. Mohd Ismail Parray
Director Jkedi

Profile Details

Dr. M.I Parray is the founder Director of Jammu and Kashmir Entrepreneurship Development Institute (JKEDI) - an organization of the State Government focusing on development of entrepreneurship.

Dr. Parray combines extensive experience as a researcher and a trainer with formulating, implementing and managing strategies and programs for creation of a conducive environment for economic development of the State.

Under his leadership JKEDI has grown from a two-room rented office to having sprawling campuses in Kashmir and Jammu with district centers in all the 22 districts of the State. The Institute has, over a period of a decade become a hub of entrepreneurship development activities and attained a position of eminence among similar institutions the world over.

While creating a vibrant and dynamic Institute, considered to be the best in sector nationally, Dr. Parray has also been responsible for development of various programs whereby training, finance and linkages to financial institutions are being provided to thousands of first generation entrepreneurs.

Originally conceptualized as a training institute, JKEDI has, under his leadership grown into a multilateral development institution. Through his initiatives at JKEDI Dr. Parray has been instrumental, to a greater extent, in changing the mindset of younger generation towards entrepreneurship as a viable career option in the State of Jammu and Kashmir.

He is guiding the younger generation on different facets of entrepreneurship, unemployment and women empowerment at JKEDI.
